

# DELFL & DALFL EXAMS

## *What are DELFL and DALFL?*

The **DELFL** (Diplôme d'Études en Langue Française) and the **DALFL** (Diplôme Approfondi de Langue Française) are official French certifications (diplomas actually) that certify the competency of non-native French speakers in the French language. These foreign language certifications have been approved by French law (*décret* of the French Republic 22nd of May 1985 for the DELFL and December 1988 for the DALFL) and awarded by the French Ministry of Education. The DELFL B2 is an advanced level of French, which allows you to enrol in a French University without having to take any other language test. B2 is the level of fluency.

The **diplomas**; the DELFL & DALFL are in line with the levels of reference of the **CECR** (Common European Framework of Reference for Languages) as well as with the recommendations for language assessing by the Framework. There are 6 levels of competency: A1, A2, B1, B2, C1 and C2

The **DELFL JUNIOR** is for secondary school students (12-17 year old) and offers 4 levels: A1, A2, B1 and B2.

The **DELFL PRIM** is for children aged between 7 and 11 years of age who are in primary school and offers 3 levels: A1.1, A1 and A2

For each level or diploma, the **4 core language skills**: listening, speaking, reading, and writing are assessed.

For detailed information about each level of these diplomas, visit the website of France Education International.
